**WHAT IS DRUMMATHON?**

Drummathon is a free, annual, family-friendly fundraising event in a festival atmosphere that brings together the drumming community for one common goal: to fight breast cancer.

As Drummathon works to fight breast cancer, it is also a celebration of life, music, and passion! Registered drummers for the event showcase their talent in front of celebrities, family, friends, fans, and attendees during a timed drum solo.

Drummers and attendees have the opportunity to play on a kit alongside celebrity drummers. Leading up to the event, drummers, musicians, and friends alike register to raise funds online to compete for a plethora of awesome prizes. The event is complete with raffles, silent auctions, vendor booths, food trucks and autograph sessions.
